

Fellow Membership Nomination

Any person who has held the grade of Member for a minimum of ten years and is actively employed in the industry may be eligible for re-grading to the status of Fellow providing that the Council is satisfied that he/she holds, or has held, a position of responsibility and has achieved eminence in the industry.

The Council may re-grade a Member who has performed outstanding service in the advancement of the Society who has less than ten years membership and whom the Council therefore deems deserving of the honour.
