

IRHACE Ballot Form 2021

Please record your vote for the resolution put forward:

Resolution for Appointment of an Accountant for 2021

It is proposed that The Engine Room be appointed as an accountant to conduct a review of the IRHACE financial statements for the year ending 31 December 2021. A review rather than an audit or compilation is recommended as this is considered most appropriate taking into account cost and amount of work needed for the IRHACE financials.

The IRHACE Council recommends approving the proposition in light of the above explanation.
